Bundle Blueprint – Family Edition

Instructions: In order to personalize the game as much as possible, Jacklyn and Cassie would like to get to know you and the other family member(s). Think through the times you've shared together and fill in your responses in the form below.

1. Who will be playing this game? Provide names, ages (this is optional, if you don't want to share!), and their relationship to you.
2. Can you give us a bit of background on each of the players? Anything you think might be relevant—where everyone lives, activities you all enjoy, jobs you have, schools you attended, favorite movies/TV shows/food, etc.
3. What are a few of your favorite memories with each other?
4. What are some traditions that your family has?
5. Can you tell us a little bit about your family's sense of humor? What are some inside jokes you have, or things you tease each other about?
6. Have there been one or two trips that you have taken together? If so, where have you gone?
7. What are one or two things that you all really treasure and hold dear as a family?
8. Is there anything else you'd like to tell us about you and your family?
9. Is there a particular date you need this by? (It takes us about 1 week after we get your responses back to turn one around, but we can move faster on it if need be!)
10. (Optional) How did you hear about Bundle?
